

Pickens County Habitat for Humanity

VOLUNTEERS

Habitat for Humanity Needs You NOW!!

Every day Habitat for Humanity is working with families in Pickens County and we need your skills! Please consider donating your time – *no one* is too old or too inexperienced to volunteer.

Listed below are just a few of the areas where we need immediate help:

DATABASE TRACKING: detail person to keep track of volunteers, inventory, costs, property

PROPERTY ACQUISITION: find & acquire suitable Pickens County properties for new homeowners. We urgently need a volunteer for Clemson/Central/Norris and one for Liberty/Pickens.

PUBLICITY: writers and photographers to help keep our mission and progress before the public

COORDINATE VOLUNTEERS: coordinate Collegiate Challenge volunteers who come from all over the US to work with us over their spring break

MAILINGS: help prepare newsletters and other distributional info for churches, civic groups, and volunteers

These are just a few of the opportunities for service available. Please contact Jill Evans at the Pickens County Habitat office for further details!
